

# Sponsor a Turtle Application Form

The Cayman Turtle Farm at Boatswain's Beach has implemented a new programme to give schools, corporations and the general public, the chance to help us in the conservation of this fascinating sea creature, the Green Sea Turtle (*Chelonia mydas*).

**Regular Sponsorship** of a Turtle allows many individuals to sponsor one (or more) of the breeders for 1 year. A set of easily recognized breeding turtles, already named by CTF, are available for this type of sponsorship.

**Exclusive Sponsorship** of a Turtle allows a school, community group, company or individual to "lease" an individual turtle (to be kept at CTF) for 1 year. They can name their turtle, use it in advertising campaigns & promotions, etc. (e.g. local electric company Caribbean Utilities Company Ltd. (CUC) has sponsored "Sparkie"). Monies from sponsorship and donations go to funds that will help to support the work of CTF/BB and other organizations concerned with the survival of sea turtles and their marine habitat.

YOUR sponsorship helps the Cayman Turtle Farm:
